

The first part of the paper discusses the importance of the study of the history of the English language. It is argued that a knowledge of the history of the language is essential for a full understanding of the language in its present state. The second part of the paper discusses the importance of the study of the history of the English literature. It is argued that a knowledge of the history of the literature is essential for a full understanding of the literature in its present state. The third part of the paper discusses the importance of the study of the history of the English language and literature. It is argued that a knowledge of the history of the language and literature is essential for a full understanding of the language and literature in its present state.

*I shall pass through
this world but once.*

*If, therefore, there be any
kindness I can show or
any good thing I could do,
let me do it now; let me
not defer it or neglect it,
for I shall not pass
this way again.*

7th in State

1969 will be remembered as a great year for sports. The Jets won the Super Bowl, the Mets won the Pennant, and the 59ers won 10 more games bringing their winning streak to twenty.

It all began on September 12, one week late because the Hammond game was postponed, when the niners invaded West Side. The game was hard fought but we came out on top 26 to 12. Defense played an important part in our 21 to 20 triumph over Indianapolis Ritter. The game saving play came when John Malayer batted down an intended two point pass conversion. Horace Mann was next. At the half they led 8 to 7, but the niners came back to show them who was number one, by holding them to a total of 2 yards rushing. The next team to try their luck was Gary Roosevelt. They also gained only 2 yards while we intercepted five passes, two of which went for touchdowns. Peterson scored three TD's to make the final score 37 to 8. After we crushed the Wallace Hornets our winning streak was up to 15 games in a row. Perhaps the biggest scare of the season came next, Emerson. After demolishing them 61 to 6 last year, we looked forward to this game. The Tornadoes proved that no team is a pushover by holding us scoreless until a little more than one minute remained. We scored from the one yard line to win 6 to 0. Our next game saw Vince Hobbs and Gary Wirt end up with a minus 39 yards rushing. Hobbs, the city scoring champ, was held scoreless as he watched his team go down 33 to 6. The reserves saw action as we walloped Calumet 46 to 0. That was number 18. The biggest game of the year came next. Nine thousand fans packed into Gilroy Stadium to watch Andrean topple Hobart. The defense played a great game and kept Brickie quarterback, Charlie Boston, on his toes. The freezing temperature highlighted the final game as quarterback Rick Bartolomeo led the 59ers to their 20th win in as many games.

We had stars, as all good teams do, like All-Stater and Most Valuable Lineman Mike Brown, or the pair of linebackers, who tied for Most Valuable Back, Louis Peterson, who scored 54 points, and Fred Hebert, with his 70 points. Leading the team through another perfect season was Most Valuable Player, Rick Bartolomeo, who had 50 points. Much of the credit, of course, must go to the coach, Nick Crnkovich, who now has compiled a record of 23 wins and 7 defeats in the three years that he has been head coach here at Andrean.

Coach Jerry Mazur led his troop of racketeers through a very successful season. This is not an old sport here at Andean, it is only the second year. But this did not bother the boys as they won match after match to finish the season 11-2. The team won the Northwest Conference Championship, Co-City Championship, and finished runner-up in the Sectional competition. There were stand-outs such as the Badylak-Evanouski doubles team which won the City Title. Since there were such outstanding records, the team came first. CONGRATULATIONS.

Seniors

OFFICERS- Kathy Sullivan, Vice-President, Terry Barich, President; Linda Lissey, Secretary; Lou Meschede, Treasurer.

My Dear Seniors,

You have reached the fullness of your four years at Andrean. They are years which cannot be relived, cannot be changed. They are part of life that has been and now you look forward to the life that will be.

During the passed year life, perhaps, has been best depicted in death. The fullness of life has been witnessed to by one of your fellow students (Kay Lynn Pilnak) and one of your teachers (Mrs. Fay LaFrossia). Life for both found its fulfillment in death, for this is the lesson of Christ: "I am the resurrection. If anyone believes in Me, even though he dies, he will live, and whoever lives and believes in Me shall never die." (John, 11:26)

This is it! This is what it is all about! Our union with and witness to Christ now and forever. Not just now, not for the moment, but now and forever. This is what Andrean has been all about. My fervent prayer is that in some way you have realized this.

Fred H. Sohn, C.S.B.

**A Special Thanks to
Chuck Wheeler Restaurants**

We would like to thank the entire staff for all the hard work they did on this yearbook. We honestly feel that a better group of kids could not have been found. They all sacrificed a lot of time and effort to get their individual jobs done. Only two people on this staff had ever worked on a yearbook before, but everyone learned quickly and helped each other out.

Some new ideas were tried out this year, and we broke tradition in a lot of places. We realize that everyone is not going to be happy with this book, but we have no complaints and we tried our best.

We have to give a special thanks to Fr. Mizzi. This was also his rookie year as moderator. He was invaluable in getting all the materials that we needed, and new ideas for pages when we were stuck. His sense of humor took a lot of the pain out of the work and this all would have been impossible without him.

It is hard to realize the vast amount of work involved in a publication like this, and when you have the most dependable staff in the world it is a great relief. It is hard to put into words what we are trying to say, so we'll just say thanks again.

Steve & Sue
